Clayoquot Calm

Clayoquot Calm was built in 2006, overlooks the stunning views of Browning Passage Inlet of Clayoquot Sound. The custom designed 3 bedroom/ 3 bathroom home on private oceanfront property is perfect for families or friends seeking a one of a kind west coast experience.

Tofino is a tranquil community, approx. pop. 1755, located on the Esowista Peninsula on the west coast of Vancouver Island, British Columbia. Our ancient coastal temperate rain forests, stunning vistas, kilometers of pristine sandy beaches and amazing wildlife, draw over 1 million visitors a year, making Tofino one of BC's premier vacation destinations. Spend the day strolling beaches, sampling local cuisine, taking an exhilarating eco-tour or shopping for original west coast art.

Tofino boasts miles of sandy beaches to the south, islands of old-growth cedar, migrating grey whales, hot springs, sea lions, and a temperate climate. There are many activities to do in Tofino, whale watching, surfing, storm watching, golf, fishing, Kayaking and much, much more.

Gallery of Cabin

View the gallery of the cabin and get a first hand look at the fine craftsmanship combined with tasteful decor that makes Clayoquot Calm a beautiful, comfortable relaxing environment.
